Key Subjects of Interest

- A few subjects of interest
 - Perspectives sharing on Odoo CE Accounting practice
 - National Markets feedback
 - Use And Adoption of partners and new partners
 - Place and Role of Accounting for a wide users base on Community Edition

Feedback from Quebec, Canada

- Numigi has its own package for Accounting in Quebec
- Very few partners that implement Accounting on Community Edition
- Experienced partners think Accounting no longer covered in CE
- Projects tend to replace less modern accounting software : good adoption, even on CE
- New partners tend not to work with Community
- Difficulty to make an Accounting recipe that work for new partners

What's your take on this ?

Ideas and Proposals

- Make a common Accounting package for Accounting on Community to help new partners
- Take feedback on quantitative use on Community Edition for Accounting
- Take feedback on reasons why partners tend not to use Accounting on CE
- Dedicated channel for Accounting Support on CE
