

Odoo Community Association

Request for Quotes

Migration of www.odoo-community.org from Odoo 8 to Odoo 10

Presentation

The Odoo Community Association or OCA is a swiss-based non-profit organization whose mission is to promote the widespread use of Odoo and to support the collaborative development of Odoo features.

The OCA is looking for a supplier to provide the products and services described in the statement of work.

Schedule

Description	Deadline	Invoicing
Release of the RFQ on the OCA website and contributors ML	Jan 20th, 2017	
All quotes received by email before	Feb 10th, 2017 6pm UTC	
Signature of the contract	Feb 17th, 2017	30%
Start of the project	Feb 20th, 2017	
Delivery	May 31st, 2017	60%
End of the contract	June 30th, 2017	10%

Point of contact

Should you have any questions, please submit them by email to rfq@odoo-community.org. If you are interested to answer, please let us know so we will forward you the questions and answers from others. If you are not interested, please let us know why.

Format

The OCA is expecting quotes to follow the format below:

1. A 2-pages pdf document describing your company's products and services, with the presentation of the project manager and the list of team members with their responsibilities.

2. A 2-pages pdf document describing the project plan
3. The spreadsheet attached with your estimation of each module migration
4. A pdf of your financial proposal
5. A contract proposal

The OCA is expecting quotes in euros (€) excluding taxes to be sent by email to the point of contact before the date stated in the schedule.

Subcontracting / Consortium

If your quotes includes subcontracted work, please list all the subcontractors involved.

If a quote is presented by many companies, please list them all and explain how the responsibilities and revenues are shared.

Statement of Work

The work consists of migrating the OCA website from version 8 to version 10, including the publication of the migration scripts of the modules listed in the spreadsheet attached, on OCA repositories. Published code must be released under AGPL and comply with OCA Conventions available at <http://www.odoo-community.org>.

The work also includes maintaining the same level of integration with third-party platforms:

- Synchronization of project team members with Github team members
- CLA check by Github
